Practice workbook

first-online-quran-lesson · Illustrative learning activities; blank fields are for your own notes.

activity 1

Stage	Useful outcome
Agree on the goal	The teacher understands the starting difficulty
Attempt a short exercise	The teacher hears independent reading
Practise one correction	The learner understands what to change
Agree on a next step	The family knows the material and practice task
Confirm arrangements	Available days, duration and price are clarified

preparation and follow up

Task / المهمة	Done / تم	Notes / ملاحظات
