Practice workbook

help-child-practise-quran · Illustrative learning activities; blank fields are for your own notes.

activity 1

Current goal	A short activity
Recognising letters	Point to assigned letters in a different order and let the child name them
Reading a line	Let the child read the assigned line, then revisit one difficult word
Applying a correction	Ask them to repeat the teacher’s example and try the surrounding phrase
Revising memorization	Listen to a small assigned passage and note where a prompt was needed

activity 2

Day	Assigned task	Attempted independently?	Question or difficulty
Monday	_____	_____	_____
Tuesday	_____	_____	_____
Wednesday	_____	_____	_____
Thursday	_____	_____	_____
Friday	_____	_____	_____

fictional completed example

Fictional day	Assigned practice	Observed attempt	Question for teacher
Monday	Identify assigned letters in mixed order	Most recognised independently	Confuses two joined shapes
Tuesday	Reread assigned line	Stopped at one difficult word	Request a clearer model
