Practice workbook

online-quran-classes-for-teenagers · Illustrative learning activities; blank fields are for your own notes.

activity 1

Part	Learner's task	Useful feedback
Opening check	Read the previously corrected passage	Which correction remained consistent?
Guided reading	Read a short suitable passage	Identify one manageable sound or reading feature
Focused practice	Repeat that feature in context	Compare first and second attempts
Optional meaning work	Discuss one verified word in its verse	Separate a contextual gloss from full interpretation
Closing plan	Explain the home task in the learner's own words	Confirm passage, method and next question

activity 2

Day	Available slot	One Quran task	Question to bring	Completed or adjusted
