Practice workbook

quranic-arabic-first-30-days · Illustrative learning activities; blank fields are for your own notes.

activity 1

Day	Workbook task	Evidence to keep
1	Starting reading and goal check	Note support needed
2	Select a small verified word group	References and glosses
3	Locate the words in their verses	Marked notebook references
4	Cover glosses and attempt recall	Answers before checking
5	Listen and point to the words	Question about an uncertain word
6	Review errors in context	Corrected explanation
7	Summarize the week	Words stable or still uncertain

activity 2

Days	Task	Question for review
8–9	Locate pronoun and actions in 1:5	Who is addressed?
10–11	Locate the request in 1:6	What is being requested?
12–13	Explain the selected relationships	Which part remains uncertain?
14	Review without looking at glosses first	Can I explain the limited task accurately?

activity 3

Days	Task	Workbook output
15–16	Read and identify the selected words	Exact verse references
17–18	Locate the exception	A plain-language explanation to check
19–20	Distinguish actions and connecting words	Two examples and questions
21	Review with source open	Corrected notes

activity 4

Days	Task	Check
22–23	Revisit week 1 words	Recall before checking
24–25	Revisit phrase relationships	Explain only what was studied
26–27	Revisit the guided passage	Separate certain and uncertain answers
28	Collect teacher questions	Prioritize recurring uncertainty
29	Complete the self-check below	Record answers honestly
30	Agree the next learning step	Continue, reduce or extend the plan
