activity 1

Time	Task
First 5 minutes	Recall a recent section, then check uncertain places
Next 7 minutes	Practise a small new section with the teacher’s corrections in mind
Final 8 minutes	Review an older assigned passage and note where recall breaks

activity 2

Practice	Recent recall	Older recall	Decision for next session
Illustrative Monday	One transition needed a prompt	Assigned passage read with one hesitation	Recheck the transition before adding new material
Illustrative Tuesday	Transition recalled without help	Another assigned passage needed support	Keep the older passage on the revision list
